Positioning Statement

Body composition is the ratio of fat to muscle in the body, and is often used to determine a person's overall level of health. Because muscle is denser than fat, a pound of muscle takes up less space than a pound of fat, which is why two people with the same height and weight might have vastly different body shapes. Body composition and body fat are important measurements when you are on a weight management program. Lean Body System is an exclusive collection of scientifically designed products to help you burn fat, lose inches and promote lean body composition for overall better health and fitness.*

LEAN BODY SYSTEM, CHOCOLATE

Trim Chocolate features an innovative, first-in-the-world combination of two leading technologies to accelerate fat reduction, improve muscle tone and restore youthful skin for a sculpted, lean body—CLA (conjugated linoleic acid) and Collagen/HA Matrix® Technology. Not only does CLA support fat-burning metabolism, it actually helps block fat transport from the bloodstream into fat cells, inhibiting fat absorption, reducing fat cell size and reducing fat cell formation.*

Weight loss can cause skin to wrinkle and sag. Our multi-patented, award-winning Collagen/HA Matrix® Technology replenishes collagen and HA (hyaluronic acid) levels in a highly absorbable form, restoring youthful skin and supporting joint and muscle fitness.*

Burn is a science-backed thermogenic formula featuring a powerful blend of 3 fat-burning ingredients. The coastal seaweed extract fucoxanthin is combined with plant-derived berberine and the essential trace mineral chromium to activate your metabolism, reduce cravings, and shift your body into fat-burning mode.*

Finally, **Activate** is a monthly 3-day detox formulated with organically grown aloe vera to naturally eliminate toxins, plus apple pectin and psyllium seed husk for added fiber. This formula helps ignite digestive energy, making the perfect complement to a fat loss regimen.*

Together, these 3 products optimize your fat-burning metabolism, promote a leaner body composition and rejuvenate cellular health for a full body transformation experience.*

Directions/Usage

Trim Chocolate: Take 1 tablespoon directly by mouth daily, preferably in the morning.

Burn: For adults over 18 years of age, take 1 capsule up to 3 times daily with a large glass of water and a meal or snack. Allow 3-4 hours between servings. Do not exceed 3 capsules daily. Use in conjunction with a calorie-responsible meal plan and exercise.

CAUTION: Three capsules contain 180 mg of caffeine, about as much as 2 cups of coffee. This product is not intended for individuals under 18 years of age, pregnant or nursing women or for those sensitive to caffeine. Consult with your doctor before use if you are taking medication, have high blood pressure, are diabetic and/or have any other medical condition. Limit the use of caffeine-containing medications, foods or beverages while taking this product because too much caffeine may cause nervousness, irritability, sleeplessness, and occasionally rapid heartbeat.

Activate: Read NOTICE and CAUTION carefully before use. Mix one packet into 8 ounces of water. Stir briskly, and drink promptly. If mixture thickens, add more liquid and stir. Use for 3 consecutive days per month, preferably at bedtime.
