

# MÖDERE® FACT SHEET

## LIQUID BIOCELL® PET

Pet

### Product Overview

Liquid BioCell Pet is a cutting edge joint health solution that delivers beneficial collagen, hyaluronic acid and chondroitin sulfate to support active and senior dogs and cats.

### Product Benefits

- Promotes healthy, flexible joints, tendons, ligaments & muscles
- Supports joint mobility & lubrication
- Promotes healthy cartilage & connective tissue
- Maintains healthy skin
- Great tasting natural flavor

### Product Details

Shouldn't your furry family members enjoy the benefits of Liquid BioCell too? Exclusively formulated with Collagen/HA Matrix® Technology, Liquid BioCell® Pet is especially designed to support mobility and joint health. The advanced liquid delivery system delivers collagen and HA where they need it most, so this unique formula can help your pets maintain the structure, function and flexibility of their healthy joints, muscles and connective tissues.

Support daily exercise or active lifestyles while promoting healthy skin and add more life to their years with our unique formula.

### Directions/Usage

As a supplement for dogs and cats for healthy hips, joints, skin, and a shiny coat. Feed directly. Give during or after mealtime. Store in a cool, dry place away from sunlight. Keep lid tightly closed and keep out of reach of children. Do not use if the safety seal is broken. Refrigerate after opening.

### Key Ingredients

- Liquid BioCell®

Product Facts			
<b>Active Ingredients per 2 mL:</b>			
Hydrolyzed Chicken Collagen (from chicken sternum cartilage) ..... 250 mg
