Product Details

Modere CellProof Body Firming Foam is a lightweight, silky formula designed to visibly smooth and tighten the appearance of cellulite and dimpled skin on areas like the neck, thighs and abdomen. It features award-winning BioCell Collagen® CG, a natural matrix of collagen peptides and hyaluronic acid that is Bio-Optimized™ for maximum effectiveness. Backed by Collagen/HA Matrix® Technology, this signature cosmetic-grade ingredient restores hydration, leaving your skin looking smooth and nourished.

The hydro-firming formula also delivers a blend of advanced revitalizers, including Macaline® Maca and Pro-Sveltyl OP® to firm, tighten and smooth the appearance of cellulite and dimpled skin, plus pomegranate and meadowfoam to moisturize and condition. Massage this silky, lightweight foam into targeted areas such as your neck, upper arms, thighs, flanks, abdomen or derrière and enjoy more hydrated, healthier-looking skin after the very first application. Because you deserve to look as vibrant as you feel.

For optimal results, pair CellProof with award-winning Liquid BioCell®, the supernutraceutical scientifically shown to nourish skin from the inside. This exclusive 360° approach delivers patented Collagen/HA Matrix® Technology in both a topical (CellProof) and an ingestible form (Liquid BioCell), for visibly radiant skin.

Directions/Usage

Apply 2-5 pumps per area twice daily, and massage thoroughly. Apply to arms, legs and abdomen. Best applied to clean dry skin. Absorbs quickly; no rinsing off necessary. CAUTION: For topical use only. Avoid direct contact with eyes and face. Discontinue use if irritation occurs.
