

MÖDERE® FACT SHEET

TRIM MANGO

Health & Wellness | Weight Management

Product Overview

Modere Trim goes beyond weight management with a unique combination of advanced technologies to promote a sculpted, lean body.* Trim was awarded the 2018 Editor's Choice for best weight management supplement by SupplySide West. This delicious version of Trim lets you indulge in a tropical mango flavor and zero sugar.

Product Benefits

- Supports fat metabolism*
- Inhibits cellular fat storage*
- Supports a reduction in fat cells*
- Promotes a healthy body composition*
- Improves muscle tone*
- Restores youthful skin*
- Supports joint, muscle fitness and connective tissue health*
- Supports healthy hair, nails, gums and eyes*
- Formulated with scientifically studied CLA and multi-patented, award-winning Collagen/HA Matrix® Technology
- Zero sugar, gluten-free, dairy-free
- Tropical mango flavor

Product Details

Featuring an innovative combination of scientifically studied technologies, Trim works to accelerate fat reduction, improve muscle tone and restore youthful skin.*

Plant-derived conjugated linoleic acid (CLA) has been clinically shown to decrease body fat. Not only does CLA support fat metabolism, it actually helps block fat transport from the bloodstream into fat cells, inhibiting fat absorption, reducing fat cell size and reducing fat cell formation. The result is a more sculpted, lean body.*

Trim also includes multi-patented, award-winning Collagen/HA Matrix Technology to promote youthful skin and flexible joints. Weight loss can cause skin to wrinkle and sag. This clinically tested technology replenishes collagen and hyaluronic acid (HA) in a highly absorbable form, restoring youthful skin. Collagen and HA are also critical to knees, elbows, wrists and the spine where they support flexible joints and fitness performance.*

Together in Trim, scientifically studied CLA and Collagen/HA Matrix Technology work potently to deliver a full body transformation experience.*

Directions/Usage

Take one tablespoon directly by mouth daily, preferably in the morning.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Key Ingredients

- Conjugated linoleic acid (CLA)
- Liquid BioCell®, backed by Collagen/HA Matrix® Technology
