ALOE VERA

Health & Wellness | Support

Product Description

Moderne Aloe Vera is a liquid supplement that boasts the holistic benefits of the aloe vera plant to help support healthy cholesterol levels already within the normal range, and polysaccharides to support digestive health.*

Product Benefits

- Aloe vera gel and aloe vera polysaccharides support intestinal tract and gastrointestinal health*
- Formulated with an array of antioxidant-supporting phytonutrients derived from extracts of maté leaf, grape skin, grape seed and bilberry*
- Natural honey to soothe your stomach*
- Natural pear juice to support energy*
- Delicious, light, sweet flavor

Positioning Statement

Aloe vera has been one of the most widely used plants throughout human history, and today we have even more reasons to enjoy aloe thanks to the discoveries of modern science.

Moderne Aloe Vera is a liquid formulation containing a blend of pure aloe vera gel, botanical extracts, honey and pear juice, designed to support overall digestive health and help maintain healthy cholesterol levels already within the normal range. It's a feel-good formula that keeps you feeling balanced. And let's be honest: When your digestive system is up to par, you also feel better. That's why a shot of Aloe Vera is the perfect pick-me-up for your system. It's an honest formula made with naturally derived ingredients that support digestion.*

Directions/Usage

Shake well before use. Take 1-2 fl oz (30-60 mL) daily.
