## MODERE CELLPROOF INFUSION MASK

Personal Care | Skin

### Product Description

Beauty begins on the inside, but sometimes you want a boost to help your inner beauty shine. Modere CellProof Infusion Mask will gently wake up your skin with effervescent oxygen via Ox3™ technology, priming it to receive powerful botanical extracts, including award-winning snow algae and summer snowflake. Each application clarifies and revitalizes your skin, supporting hydration and diminishing the look of wrinkles to renew your natural radiance.

### Product Benefits

- Awakens and prepares skin to receive revitalizing ingredients
- Renews youthful-looking skin
- Diminishes the appearance of fine lines and wrinkles
- Reduces the appearance of skin-aging and revives your natural radiance
- Supports natural skin moisture barrier and hydration

### Positioning Statement

Modere® CellProof Infusion Mask is a perfecting gel featuring Ox3™ technology that instantly releases oxygen bubbles across the surface of your skin, waking it and preparing it to be nourished by potent botanical ingredients. At the same time, the rejuvenating oxygen bubbles clarify and renew the surface of your skin, so you look radiant and refreshed.

Award-winning snow algae has been shown to encourage skin surface renewal, aid moisture retention and support your skin's natural defenses against environmental stressors. Summer snowflake will help diminish the look of age spots and improve the texture of your skin for a smoother, more youthful appearance. Plus, an exclusive combination of 13 herbal and fruit extracts bolster your skin, so it looks healthy and luminous. Because you deserve to look as vibrant as you feel.

Modere CellProof Infusion Mask is a key component of the CellProof system and is designed to work synergistically with CellProof Serum and Moisturizer to noticeably enhance the appearance of your skin. For optimal results, pair CellProof with award-winning Liquid BioCell, the supernutraceutical scientifically shown to nourish skin from the inside. This exclusive 360° approach delivers patented Collagen/HA Matrix® Technology in both a topical (CellProof Serum and Moisturizer) and an ingestible form (Liquid BioCell), for visibly radiant skin.

### Directions/Usage

Apply 6 pumps of CellProof Infusion Mask to clean, dry face using quick circular motions with fingertips. Do not rub into the skin. Leave on for at least 5 minutes. Rinse with warm water, then pat dry. Follow with CellProof Serum and Moisturizer. Use Infusion Mask 2-3 times per week.  
DO NOT UNSCREW CAP.
