MODERE CELLPROOF MOISTURIZER

Personal Care | Skin

Product Description

Beauty begins on the inside, but sometimes you want a boost to help your inner beauty shine. Modere® CellProof Moisturizer delivers patented BioCell Collagen® CG, the naturally derived antioxidant astaxanthin and a blend of advanced peptides to revitalize the look of your skin and provide intense hydration. This decadent formula is easily absorbed into the skin, leaving it noticeably smoother and more radiant.

Product Benefits

- Promotes vibrant, youthful-looking skin
- Provides intense hydration
- Helps smooth skin for improved texture
- Reduces the appearance of fine lines and wrinkles
- Helps even the appearance of skin tone
- Promotes the look of elasticity
- Helps protect your skin against the elements

Positioning Statement

Modere® CellProof Moisturizer delivers BioCell Collagen® CG backed by award-winning Collagen/HA Matrix® Technology, a natural matrix of collagen peptides and hyaluronic acid that is Bio-Optimized™ for maximum effectiveness. This is the same patented technology in our supernutraceutical Liquid BioCell® products, scientifically shown to nourish your skin from the inside. In CellProof Moisturizer it hydrates, moisturizes and reduces the appearance of wrinkles to renew your natural radiance on the outside.

This breakthrough formula also provides a blend of advanced peptides, naturally derived astaxanthin and exotic fruit extracts to support healthy-looking skin and a more even skin tone. Plus, decadent cocoa and shea butter leave your skin looking exceptionally smooth, hydrated and velvety soft. Because you deserve to look as vibrant as you feel.

Modere CellProof Moisturizer is a key component of the CellProof system and is designed to work synergistically with CellProof Serum and Infusion Mask to noticeably enhance the appearance of your skin. For optimal results, pair CellProof with award-winning Liquid BioCell, the supernutraceutical scientifically shown to nourish skin from the inside. This exclusive 360° approach delivers patented Collagen/HA Matrix Technology in both a topical (CellProof) and an ingestible form (Liquid BioCell), for visibly radiant skin.

Directions/Usage

After cleansing and applying Modere® CellProof Serum, apply two full pumps of moisturizer to face, neck and décolletage morning and night. Gently massage until absorbed.
