

# MODERE® FACT SHEET

## GO ORANGE CITRUS

Health & Wellness | Targeted Health

### Product Description

Modere GO takes a holistic, bio-hacking approach to brain health with natural caffeine from green tea and 24 powerful support ingredients, including 8 brain-boosting nootropics. That means you'll get a super-boost of clean energy, improved alertness, greater focus and enhanced cognitive function, helping you be at your best today and every day.\*

### Product Benefits

- Promotes balanced energy\*
- Boosts mental focus and alertness\*
- Supports healthy cognitive function\*
- Assists memory, learning and mental clarity\*
- Increases alpha waves for a mindful state of zen-like concentration\*
- Check more off your to-do list, so you have time for what matters most\*
- Helps you achieve peak mental performance\*

### Positioning Statement

Life is hectic, and sometimes you need a little help to push through a busy afternoon, whether you're up against a big project, a crucial meeting or taking care of business at home. While other energy supplements might hit you with a dose of low-grade caffeine, which can lead to jitters and a sudden crash, Modere GO takes a holistic, bio-hacking approach with clean energy derived from green tea and 24 support ingredients – 11 vitamins, 5 minerals and 8 nootropics – each scientifically selected so you can get more done and perform your best.\*

GO not only gives you an abundance of energy, it also improves alertness, enhances focus and supports cognitive health. It features cutting-edge nootropics to promote brain power, including alpha GPC, a precursor to one of the most abundant neurotransmitters in the body.\*

Modere GO also provides an advanced form of carnitine, an important amino acid that allows your body to effectively utilize the energy it has stored, and a highly bio-available form of folate that supports brain health. And it gives you tried-and-tested plant extracts like bacopa, ginkgo and shatavari, which support memory, healthy cognitive function and mental clarity. Plus, GO includes one of the most effective concentration boosters, L-theanine, which increases alpha waves in the brain for a mindful state of zen-like focus.\*

Skip the synthetic caffeine and artificial flavors you'll find in ordinary energy supplements and use Modere GO to support healthy cognitive function and achieve peak performance.\*

### Directions/Usage

Mix 1 packet in 8-12 fl oz of cold water and shake or stir until dissolved. Consume 1-2 servings daily as needed.

### Key Ingredients

- Alpha GPC
- Carnitine
- L-theanine
- Bacopa
- Ginkgo
