## ANTIOXIDANT GEL

---

### PRODUCT DESCRIPTION:

Our Antioxidant Gel minimizes the visual effects of environmental exposure, cosmetics and harsh chemicals on your skin. The vitamin-rich formula restores your luminous glow, penetrating into skin's surface layers to reduce the appearance of wrinkles.

### PRODUCT BENEFITS:

- Minimizes the visual effects of environmental exposure, pollution, cosmetics and harsh chemicals
- Vitamin-rich formula protects, strengthens and restores your luminous glow
- Brightens skin tone for increased radiance
- Lightweight, concentrated and water-free formula delivers incredible complexion-enhancing benefits
- Contains antioxidants for optimal skin health
- Defends your skin from the elements
- Penetrates into your surface layers and reduces the appearance of wrinkles

### POSITIONING STATEMENT:

Many available antioxidant serums are formulated with cream, which can lead to excess oil and greasiness. By contrast, our Antioxidant Gel is tailored to combination and oily skin because it hydrates without grease. Antioxidant Gel is formulated with vitamin C to support the skin's natural oxidant defenses. Every dose also contains Vitamin E and Orange Peel Oil for maximum moisture preservation, conditioning and tone health.

### DIRECTIONS/USAGE:

Gently apply a liberal amount to the face, neck and décolletage twice daily after cleansing to illuminate skin. Use in conjunction with your preferred Modere products as part of your daily skin care regimen.
